- * Dribbling
- * Passing
- * Shooting

Social Skills

- * Perseverance
- * Leadership
- * Sportsmanship
- * Confidence
- * Teamwork

Classes are held at your child's school

How it works!

- Register and Pay online at www.playsportskids.com
- You may also complete the sign up form and return to school with payment attached.
- The Playsports coach comes to the school on the same day and time every week, 4 times a month. If there is a 5th week in the month, there is no class unless a make up class is needed.
- Each week the coach will follow a planned and progressive curriculum.
- Coaches receive continuous training and support. They all have the required federal law clearance.
- The coach will also focus on the "Skill of the Month" along with the Social Focus Point.
- Each parent will receive a "Parent Portal" when you sign up online.
- Reports are sent out every two months.
