Classes are held at your child's school

How it works!

- Register and Pay online at www.playsportskids.com
- The Playsports coach comes to the school on the same day and time every week, 4 times a month. If there is a 5th week in the month, there is no class unless a make up class is needed.
- Each week the coach will follow a planned and progressive curriculum.
- Coaches all have federal livescan clearance.
- Playsports program is progressive.
- The coach will also focus on the "Skill of the Month" along with the Social Focus Point which is also posted monthly on our Blog.
- We offer auto pay for your convenience.
- Each family receives their own "Parent Portal".
